

Physicians Database

apps.ilsos.gov/physicianssearch/physicianssearch

This database indexes the names of physicians and surgeons who registered for licensure with the Illinois State Board of Health and the Illinois Department of Professional Regulation from ca. August 1877-February 17, 1937. The information included in this database was extracted from the Department of Professional Regulation record series "Register of Licensed Physicians and Surgeons" ([RS 208.028](#)).
